x2

The image features several abstract geometric shapes outlined in black. At the top, a long horizontal shape tapers to a point on the right. Below it, a large, irregular shape with a diagonal line runs from the upper left towards the middle right. To the left of this, there is a parallelogram-like shape. In the lower left, there are two horizontal rectangles of different sizes. In the lower right, there is a complex shape with a pointed bottom and a small triangular protrusion. The text 'x2' is centered in the upper right area.
